On April 21, 2008, the parties are scheduled to appear for a hearing before this Court. The government and all defendants request a short continuance of that hearing to allow defense counsels an opportunity to meet with their respective clients, review a proposed disposition, and properly advise their clients. The parties also request an exclusion of time under the Speedy Trial Act based upon the defense counsel's need to effectively prepare by reviewing materials submitted by the government and properly advise their clients. The parties request that the Court set the matter for a hearing on April 29, 2008 at 3:00 P.M.

1 The parties stipulate that the time between April 21, 2008 and April 29, 2008 is excluded
2 under the Speedy Trial Act, 18 U.S.C. §3161, and agree that the failure to grant the requested
3 continuance would unreasonably deny defense counsel reasonable time necessary for effective
4 preparation, taking into account the exercise of due diligence. Finally, the parties agree that the
5 ends of justice served by granting the requested continuance outweigh the best interest of the
6 public, and the defendant in a speedy trial and in the prompt disposition of criminal cases. 18

ORDER

Based upon the stipulation of the parties, and for good cause shown, the Court HEREBY ORDERS that the hearing currently scheduled for April 21, 2008 should be continued until April 29, 2008 at 3:00 P.M. Furthermore, the Court HEREBY ORDERS that the time between April 21, 2008 and April 29, 2008 is excluded under the Speedy Trial Act, 18 U.S.C. §3161. The court finds that the failure to grant the requested continuance would unreasonably deny defense counsel reasonable time necessary for effective preparation, taking into account the exercise of due diligence. Furthermore, the Court finds that the ends of justice served by granting the requested continuance outweigh the best interest of the public and the defendant in a speedy trial and in the prompt disposition of criminal cases. The court therefore concludes that this exclusion of time should be made under 18 U.S.C. §3161(h)(8)(A).

IT IS SO ORDERED.
